This Month at Country Manor:

Blanket Drive

Country Manor is always looking for ways to assist in the community, so we are hosting a blanket drive! We would love donations from all our friends! Our residents will also be making "tie blankets" on the 10th to donate and help th!

Christmas Celebration

Merry Christmas

Please join us on Dec 18th at 5:30 for our annual Christmas Celebration! We will have Santa, food, gifts, and of course great company! We hope you'll celebrate with our community.

Donna Pfannenstiel---December 1st

LeRoy McDowell-----December 7th

Country Manor Brain Games Community Event

December 9th at 4pm

Worldwide 50 million people are living with a form of dementia. This number is expected to increase to 82 million by 2030 and 152 million by 2050. We are still searching for a treatment and cure, but some studies show that "exercising" our brains has a positive effect! Join us for this fun yet beneficial event! This will be a monthly event so please share with all your friends and families.

National Gingerbread House Day!

Our residents will be hosting a fun activity on the 12th!

We will be making our very own Gingerbread houses!

Please join us at 10am if you'd love to help!

Our goal is to make at least one resident's dream come true each month in our community. These dreams can range from modest to elaborate based on the unique experiences and backstories of each individual resident. Have an idea for your loved one? Let Miranda know!! We'll make it happen!
